12.1.88

Lord, my God... Vassula, let Me help you;
do you remember the vision of the three
rods? upright and stiff?

Yes, I do Lord. I remember...

well then, to be able to unite all three
have to bend; I never said that merely
two should bend; Vassula, do you realize
that I, your God, am in full plan for
uniting you?

I had in mind to ask You about
yesterday's message, about the way one
crosses oneself.
